Annick Ducher
Program Manager, Extended Research Faculty
Enterprise Innovation Institute - Global
Campus location: Centergy Building, Suite 3000

Research Interests:

Primary research interests focus on the development of innovation ecosystems around the world, with a special focus on Central and Eastern Europe. This includes the role of local stakeholders, corporates, startups and universities in being vehicles for job creation and local economic development.

Teaching Interests:

Ducher facilitates workshops on the topics of intercultural exchange and its implication for doing business and the entrepreneurship journey. She also guides learners through the ideation process to identify unmet needs and problem-focused exercises.

Education:

May 2012: Master of Arts, International Development Studies
The George Washington University Elliott School of International Affairs (GWU)

December 2006: Double Bachelor of Arts, International Relations (Peace and Security) and French
University of California, Davis (UC Davis)
